Race is named in honor of the legendary spring that reputedly restores the youth of anyone who drinks or bathes in its waters.

The legend became particularly prominent in the 16th century when it became attached to the Spanish explorer Juan Ponce de

Leon, who was searching for the Fountain of Youth when he traveled to what is now Florida in 1513 ... There were two

runnings in 1947. One was carded under handicap conditions at one mile and 70 yards; the other was for 2-year-olds at six

furlongs.
